CALHOUN COUNTY CONSOLIDATED DISPATCH AUTHORITY

Governing Board of Directors

Meeting Minutes

Tuesday, June 11, at 2:30 p.m.

Law Library

Calhoun County Administrative Building

The meeting was called to order by board member Steve Frisbie at 2:37 P.M.

ROLL CALL:

Directors Present:

Matt Saxton, Chairman via phone
Steve Frisbie, County Board of Commissioners
Jim Blocker, City of Battle Creek (Seat #1)
Steve Buller, Area Metropolitan Services Agency
Lt Dave Wood, Michigan State Police
Susan Baldwin, City of Battle Creek (Seat #2)

Directors Excused:

Jeff Albaugh, Vice-Chairperson
Ken Snyder, City of Albion
Brent Williams, City of Marshall

Others Present:

Rich Feole, CCCDA
Kim Grafton, CCCDA
Kate Chism, CCCDA

AGENDA APPROVAL

A motion was made by Jim Coleman to approve the June 11, 2019 CCCDA Governing Board agenda. The motion was seconded by Susan Baldwin.

All were in favor.
Motion was approved.

Calhoun County Consolidated Dispatch Authority

Serving Our Community One Call at a Time

MEETING MINUTES

A motion was made by Jim Blocker to accept the May 14, 2019, CCCDA Governing Board minutes. The motion was seconded by Lt Dave Wood.

All were in favor.
Motion was approved.

PUBLIC COMMENT

No public comment was provided.

CONSENT AGENDA

The following items were listed on the Board's consent agenda:

1. Excuse Absent Board Members
2. Check Register: May 1- May 31
3. Year-to-Date Budget Performance Reports
4. Quality Assurance Reports
5. 2019 Year-to-Date Statistics
6. General Correspondence

A motion was made by Susan Baldwin to approve the June 11, 2019 Consent Agenda. The motion was seconded by Jim Blocker.

All were in favor.
Motion was approved.

EXECUTIVE DIRECTOR'S REPORT

1. Mackinac Conference- Several staff attended the 9-1-1 conference. Lindsay Smith was a presenter at the conference and did a presentation on receiving calls from and about people on the autistic spectrum. It was a busy conference with Kim Grafton, Rich Feole, and Rhonda Seigel all on the conference committee.
2. MERS- On June 4, a MERS representative came and was available to meet individually with our staff to discuss benefit packages. Last year at this time it was discovered the glitch with the COLA package. There were no surprises this year.
3. Audit- The audit is wrapping up. Joe will be here to give the full audit report soon.

OLD BUSINESS

None

NEW BUSINESS

1. Lakeview Schools use of Sonoma tower Site: The school is working with Roe Comm to get new radios in their busses and schools. They have found areas where they do not have radio coverage. They have done studies that show if they use new equipment and our Sonoma tower site they would have coverage. We have a similar agreement with the county ISD and they reimburse us \$1200 annually. Roe Comm has indicated no actual tower space would be used and very minimal power, with no interference with our equipment. And email approval was requested to TAC and approved. If approved by the board, Jim Dyer would write up the contract.

A motion was made by Lt Dave Wood to approve the use of the Sonoma Tower by Lakeview Schools. The motion was seconded by Jim Blocker.

Susan Baldwin questioned that allowing this wouldn't hold us liable for any damage to their equipment or any new/additional costs. It was clarified that we would have no additional costs of utilities which would not be covered by the fees and the contract would absolve us from any liability. Further discussion took place amongst the board involving various details of the contract.

All were in favor.

The motion was approved.

PUBLIC COMMENTS

No public comment provided.

ADJOURNMENT

Meeting was adjourned at 2:50 P.M. by board member Steve Frisbie.

TAC, we have been asked by Matt Beauchamp and Matt Hubert (Kalamazoo City FD) about granting access to Calhoun County 800 MHz talk groups to Kalamazoo County Fire Departments. They have asked for access to the following talk groups:

13F03
13FTAC1
13FTAC2
13F911
13FTWP

They are in the midst of redoing their templates and I advised them I would see if I could get permission via an email vote rather than waiting until the next meeting which is still over 2 weeks away. Please advise via email if you are ok with issuing an MOU with Kalamazoo County FD's access the mentioned talk groups.

Subject: Lakeview Schools digital radio system

CCFDA TAC, I apologize for another email vote, but I keep getting these requests that need TAC approval when there is not a TAC meeting scheduled within their deadline. I have been contacted by Roe Comm who is working on a radio project with Lakeview schools. The system they are working on will improve school to school communications and also to the buses. Evidently, they have several dead spots in their current radio communications south of I-94. Lakeview schools are asking for use of the CCCDA Sonoma tower site. I have been told by Roe Comm that the school equipment would not conflict with any of the CCCDA equipment and would not cause a load on the tower as nothing additional would be added to the actual tower that isn't already there. We do have an agreement with Calhoun County ISD and they pay fee of \$1200 annually for recoup of utility power costs. That figure has been given to Lakeview and was approved by their budgeting process. I recommend that we allow Lakeview Schools access to the Sonoma Tower site for the same amount charged to Calhoun County ISD, \$1200 annually. If approved by TAC, I will present to Governing Board next week and pass the results on to Roe Comm and Lakeview Schools. Please let me know if you approve or disapprove of allowing them this use.

That figure has been given to Lakeview and was approved by their budgeting process. I recommend that we allow Lakeview Schools access to the Sonoma Tower site for the same amount charged to Calhoun County ISD, \$1200 annually. If approved by TAC, I will present to Governing Board next week and pass the results on to Roe Comm and Lakeview Schools. Please let me know if you approve or disapprove of allowing them this use.

Good morning,

Rich, I am OK with this as well, however, you may want to clarify with them that the 13FTWP talk group is a non monitored channel (**at least to my knowledge it is not**) so they would not be able to communicate with our dispatch center on that frequency.

Thanks !!

Tony Geigle – Emmett DPS
